

Verona Homeowners

For those who would like to use Davey for some personal work on their property, example add trees, remove trees, sod, new planting, etc. The method will be as follows

Send an email to VERRENAI@ciramail.com In the subject line put in Personal Work by Davey

RealManage will forward the email to Davey to contact you to discuss the work and give you a quote.

Please remember the work and cost is outside of their contract with the Verona HOA, **the email to them will NOT constitute a Work Order.**

The individual homeowner will be responsible for payment directly to Davey for any additional work contracted by the individual homeowner.

RealManage is acting as a way of contacting Davey

Thank You
Landscape Committee
