

INSTRUCTIONS & WORKSHEET

1. Villa homeowners must agree on the color selected for the walls, trim and garage doors. Without an agreement between the homeowners by a Board of Directors set date, existing colors will be the default choice for repainting a villa by the Association.
2. Villa homeowners shall write in "Association" for CONTRACTOR.
3. Exterior paint colors must comply with the Exterior Color Palette choices shown herein.
4. A Color Family is defined as the three complementary colors in a row on the Exterior Color Palette, identified a A through L.
5. Wall color selected must not match the color of the two (2) adjacent (adjoining boundaries) homes/villas on each side or the homes/villas across the street. Refer to the current Verona Homes Color Map, included herein.
6. Other Exterior is defined as soffit, fascia, drip edges and gutters, and is referred to as such herein. These items may be white, replaced with bronze, or painted any of the three colors within the selected Color Family.
7. House downspouts may be white, replaced with bronze, or painted any of the three colors within the selected Color Family.
8. Window Frames must remain white.
9. Lanai screen frames/lanai downspouts may be bronze or white. Lanai screens may be bronze or charcoal.

Follow these steps to help select your colors:

Step 1: Choose your Wall Color from one of the 33 colors on the Exterior Color Palette. Note which Color Family, designated as A through L, that color is in.
